ANSI Z308.1-2003 establishes Minimum Requirements for Workplace First Aid Kits. The Medcor On-Line kit includes additional items and meets the ANSI recommended kit requirements with the following substitutions:

| ANSI Workplace First Aid Kit Requirement | Medcor On-Line First Aid Kit Substitution |
|--|---|
| Burn Treatment, 0.14 fl oz. application | Burn dressing, Water-Jel |
| 3" x 3" Sterile Pads | 4" x 4" Sterile Pads |
| Bandage Compress, multiple sizes | 4" x 120" and 2" x 60" Elastic bandages, latex free |

I have personally reviewed, selected and endorse the contents of this first aid kit.
