

Loss Exposure Experience Plan Rubric

Criteria	8 - Excellent	5 - Good	3 - Satisfactory	2 - Needs Improvement	1 - Poor
Identification of Problem Area	Clearly and thoroughly describes a relevant potential hazard/problem; demonstrates deep understanding	Describes a potential hazard/problem clearly with minor details missing	Identifies a hazard/problem but lacks clarity or sufficient detail	Vaguely identifies a problem with minimal explanation	Fails to identify a relevant potential problem or description is unclear
Proposal to Resolve	Provides a detailed, practical, and feasible plan with clear steps for mitigation over the next year	Provides a reasonable plan with mostly clear steps to address the problem	Provides a basic proposal but lacks detail or feasibility	Proposal is unclear, incomplete, or lacks connection to the identified problem	No clear proposal or steps to resolve the problem
Education	Specifies comprehensive training that directly addresses the problem and mitigation steps	Specifies appropriate training with some connection to the problem	Training mentioned but lacks specificity or clear relevance	Training plan is vague or only minimally related to the problem	No training or education plan provided
Funding	Clearly identifies a realistic and appropriate funding source(s) that fully support plan implementation	Identifies funding sources that mostly support the plan	Mentions funding but sources or amounts are unclear or unrealistic	Funding source is unclear or unlikely to support the plan fully	No funding source identified
Evaluation	Defines clear, measurable, and relevant criteria to assess success of the plan	Defines relevant evaluation criteria with minor lack of clarity or measurability	Evaluation criteria are present but vague or only somewhat measurable	Evaluation criteria are minimal, unclear, or not clearly linked to plan success	No evaluation criteria provided

Extra Credit

Criteria	3 - Satisfactory	1 - Needs Improvement
Update of Prev. LEEP	Describes previous LEEP, progress made, and benefits seen (even if not completed)	Vaguely or minimally describes previous LEEP with no explanation of what was accomplished
