GSRMA
GOLDEN STATE RISK MANAGEMENT AUTHORITY

Risk Management Accreditation Program

WHY PARTICIPATE

The Risk Management Accreditation Program (RMAP) is a voluntary Best Practices Program designed to strengthen risk control efforts and help Members achieve compliance and industry best practice goals.

Through proactive risk control and continuous improvement, GSRMA works alongside Members to strengthen policies, procedures, and operations while reducing risk.

Members can earn an award of up to 10% of their annual contribution, subject to program maximums of up to $75,000 per agency, per year.

Step 1

Contact Risk Control staff for an application to review program requirements

Step 2

Submit Letter of Intent on agency letterhead by September 1

Step 3

Complete RMAP application sections with supporting documentation due **mid-November** and **beginning of March**
