

Risk Management Practitioner

RMP PROGRAM

Elevate your agency's risk management.

Our RMP Program delivers practical, cost-effective strategies to help public sector professionals reduce risk and save money.

Designed for risk management assistants, workers' compensation specialists, HR analysts, and frontline supervisors.

HIGHLY EFFECTIVE CURRICULUM:

Developed by a coalition of industry leaders and subject matter experts, the RMP Program fills a critical gap in the field. This five-part certificate program provides the essential building blocks to establish, develop, and embed risk management as a core business process in your organization. Participants receive practical, actionable tools that provide immediate impact.

COURSES:

1. Overview of Public Sector Exposures & Risk Management
2. Insurance Administration & Risk Transfer
3. Property/Liability Claims & Loss Control
4. Workers' Compensation
5. Disability Management & Early Return to Work

The five courses in this program can be taken in any order. However, we recommend completing them sequentially for the best learning experience. Each course is \$199 per participant.
